Everett, WA Magnum Energy announces a 5-year system warranty for our inverters and accessories when purchased with either a MMP or MP panel system (effective 1/1/2012).

The limited warranty for a complete Magnum Energy System is now 5 years - beginning from the product's original date of purchase - if it was ordered with and installed on one of Magnum's MMP or MP panel systems. The 5-year system warranty covers panels, inverters, remotes, and accessories with a proof-of-purchase showing that the Magnum products and the MMP or MP panel system were purchased at the same time.

Note: All other warranty terms and conditions noted in the limited warranty still apply.
