# Terms and Conditions

## **Pricing:**

We make every effort to ensure that all the information contained within our price lists and quotes are complete and accurate. Quickscrews International Corporation reserves the right to make any changes or corrections to any information which may have been published in error. Part numbers, quantities, and weights are subject to change without notice.

## **Freight Policy:**

All orders are FOB shipping origin. We reserve the right to ship orders from any of our warehouse locations at our discretion. We offer our Distributor Partners the benefit of the only No Minimum "Drop-Ship" policy in our industry. Drop shipped orders will not be billed 3rd party or freight collect. Note that shipments made to branch locations within your own company are not deemed to be "drop shipments" but normal orders. All Online Orders are subject to a \$2.00 handling charge.

## **Notification of Errors:**

Shipping errors must be documented in writing to our Customer Service department within five days of receipt of merchandise. We must be notified of any shortages within five days of receipt of merchandise. Shortages will not be credited unless noted on trucking company bill of lading at time of delivery. All requests need to be in writing. You may e-mail to: [jwiener@quickscrews.com](mailto:jwiener@quickscrews.com) or fax to: 800-689-7975.

## **Returns:**

All returns must have an RGA issued to receive credit. All products that are not deemed defective must be returned within 30 days of Invoice date. Returns can be subject up to a 30% Restocking charge. All requests must be in writing. You may request a return by e-mail to: [jwiener@quickscrews.com](mailto:jwiener@quickscrews.com) or fax to: 800-689-7975.

## **Carton Quantities/Weights:**

We make every effort to ensure the published carton quantities and weights are accurate, but make no guarantees and such information is subject to change without notice.

## **Pack Quantities/Weights:**

We make every effort to ensure the published pack quantities, packs per case, and weights are accurate, but make no guarantees and such information is subject to change without notice. We reserve the right to ship pack orders to the nearest full-case quantities.

## **Warranty:**

All products are produced to standard and commercial tolerances. We warranty products to be free from defects in materials and manufacturing. When we have determined that a product is defective, it will be replaced. At our discretion, a credit may be issued instead of replacement. Our liability is limited to the cost of the defective product only. No other warranty is implied.

## **Liability:**

The customer shall be responsible for testing and verifying the suitability of the product for intended use. No warranty for intended use is implied. The customer assumes all risk and liability. Our only obligation is replacement or credit for product proven defective. We shall not be deemed liable for any loss or damage that may occur from the use or inability to use the product. If you have any questions, please contact us at any time: E-Mail: [jwiener@quickscrews.com](mailto:jwiener@quickscrews.com)

## **Dimensions:**

Dimensions are subject to change without notice.

# All Tile Roof Hooks

Part #	Box Quantity	Screw Size
17585	10 Hooks	Not Included
17586	1 Hook	Not Included
17587	10 Hooks & 20 Screws	#14 x 3"
17588	1 Hook & 2 Screws	#14 x 3"
17589	10 Hooks & 20 Screws	5/16" x 3"
17618	1 Hook & 2 Screws	5/16" x 3"

For Side Mount Rails

# About Us

SolarRoofHook.com is a division of Quickscrews International Corporation. Quickscrews International is one of the last remaining full-line suppliers of cabinet and furniture screws. Established over 25 years ago, the company is best known for its innovation and creativity in bringing solutions to the professional Furniture Manufacturers, Cabinetmakers and Woodworking industries.

The formula Quickscrews used for success was easy - find out what the customer is using, learn what they do not like (find the pain) and develop a new product that fixes the problems. SolarRoofHook.com has set out to repeat those steps to make installing solar panels on residential roofs easier. Innovation and demand has allowed SolarRoofHook.com to rapidly expand its product offering in the roof mounting supply area.

Today, SolarRoofHook.com has a wide range of innovative products for mounting solar panels onto residential roofs. The company has solutions for Asphalt Shingle (Composite) Roofs, Flat Tile Roofs, Spanish (Curved) Tile Roofs, and Stone Coated Steel (Calpac) Roofs. SolarRoofHook.com can produce custom products from start to finish in 60 days and are continually working with installers to deliver the exact products needed for any type of roof.

Products are stocked in Livermore, California, and Rock Hill, South Carolina, allowing SolarRoofHook.com to meet the needs of any company or individual nationwide. Business hours are Monday-Friday, 7am-5pm Pacific Time.
